

TOWN *of* CLAY

Hosts Open House for Land Use Study

When: Wednesday, November 29th, from 6-8pm

Where: Town Hall, 4401 NY-31, Clay, NY 13041

Join us for an interactive Open House to shape the future of Clay!

Explore Stations On:

- **Future Land Use:** Dive into potential developments and envision the future of our town.
- **Transportation Alternatives:** Discuss the challenges and opportunities in our transportation infrastructure.
- **Open Space Management:** Share your thoughts on how we can best use and preserve our open spaces.
- **Desirable vs. Undesirable Land Uses:** Voice your opinion on what land uses should be promoted or avoided.
- **Northern Area Specific Issues:** Focus on the unique challenges and possibilities in the northern regions of Clay.
- **Community Vision and Goals:** Help us define our collective vision and objectives for Clay.

This event is a significant step in our ongoing effort to understand and guide land use within the Town of Clay. We invite all residents and stakeholders to participate actively in this planning process. We look forward to your participation and input!
