

Hosts Second Open House for Land Use Study

When: Thursday, July 25, 2024, from 5:30-7 pm

Where: Town Hall, 4401 NY-31, Clay, NY 13041

Explore Stations On:

- **Community Vision & Goals:** Understand the framework for developing the Land Use plan.
- **Visual Preference & Community Survey Results:** Based on input received at the last Open House and through online surveys.
- **Future Land Use:** Review future land use recommendations for the Town.
- **Subdivision & Site Design:** How future sites are developed, designed and connected.
- **Environmental & Open Space:** Strategies to preserve open space and incorporate it into future development.
- **Placemaking:** Review concepts for the creation of a Town Center and other neighborhood centers in the Town.

Join us for an interactive Open House to shape the future of Clay!

We invite all residents and stakeholders to participate actively in this planning process. We look forward to your participation and input!
